STATEMENT UNDER 37 C.F.R. § 1.825

In reply to the Office action that was mailed in connection with the above-captioned application on April 13, 2007 and as required by 37 C.F.R. § 1.825, enclosed is an amended Sequence Listing consisting of 17 sheets to replace the Sequence Listing that was present in this application prior to this submission.

The amendments correct the inadvertent omission of the Alanine residue ("A") at the C-terminus of SEQ ID NO: 14. Support for this amendment is found, for example, in Figure 5A. I hereby submit that the substitute sheets contain no new matter.

As required by 37 C.F.R. § 1.825(b), enclosed is a diskette containing a copy of the

Sequence Listing in computer readable form, including all previously submitted data with the amendments incorporated therein. The contents of the computer readable form of the Sequence Listing are the same as the contents of the paper sheets.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: October 15, 2007
